Greetings Murrow,

I want to take this opportunity to thank the Murrow community for all of their hard work during fall semester. Over the next two weeks, I look forward to visiting your classrooms to see you implement the “next steps” that were given to you during your feedback and support sessions as well as your observation reports. Additionally, please review the “Pre-Observation Guidelines” (in your staff materials instructional folder) as well as the “Classroom Expectations” that were reviewed at today’s faculty check-in (also emailed to you).

I also look forward to seeing you implement some of the many wonderful strategies that have been shared during school-wide, team, and departmental professional learning sessions this year particularly aligned to lesson planning, rigor, supporting all learners and literacy development.

Once again, I commend you on your dedication and commitment to the students of Edward R. Murrow High School and I greatly appreciate all that you do.

Have a **FANTABULOUS** semester!

Sincerely,

Allen Barge
